The purpose of this peer assessment is to rate the strength and weaknesses of your group members (including yourself) as well as to provide feedback. A FAIR ASSESSMENT OF EACH GROUP MEMBER IS EXPECTED. Think back on your whole process and be honest. This form will be strictly **confidential**.

Please award each group member, including yourself, a mark between 0 and 5.

5=much higher than rest of the group
4=higher than rest of the group
3=same as rest of the group

2=less than rest of the group
1=much less than rest of the group
0=no contribution
